TERTIARY OVERVIEW VISITS – Term 2

All visits are open to Year 13 students. Year 12 students can only attend the visit from UNITEC & the Defence Forces. The purpose of the **overview visits** is to present students with the big picture of tertiary education – i.e. what's out there and the characteristics of each of the learning environments. We encourage students to attend as many of these visits as possible to help them make informed decisions.

If you wish to attend any of these Term 2 visits, please remember:

- 1) we encourage you to check with your period 4 teacher – your teachers have the right to decline your request to attend
- 2) assessments take priority and an attendance roll will be taken
- 3) you're responsible for catching up on work missed in Period 4
- 4) **be on time** - the sessions start at the beginning of Period 4, i.e. **12.55pm**. Late comers could be turned away!
