Part time work @ Doggie Day-care

We are a dog day-care located in Albany and have a couple of after school positions available.

The job would be 2-3 afternoons per week, 3.30pm (or as close as possible) to 6pm. It is mostly cleaning our day-care facility, so it is quite a physical job - but with the opportunity to learn about dog behaviour, and of course, the occasional cuddle. If you are interested in this opportunity, we would love to meet you.
