SENIORS

Year 12 Science Students- Every year, Rotary help organise the Rotary National Science and Technology Forum. This is held in the Christmas holidays, from Jan 7 -21 2023.

The Forum itself has a variety of activities and students get to meet a variety of students from around the country. There are interesting speakers, different science activities, including ones that will give you insight into the more advanced programmes, as well as fun activities.

There is a cost involved and the local rotary may help towards costs for students who apply. Completed submissions need to go to the local club, by 29 August.

Ask your Science teacher for more details.
