Rangitoto  
College

Rangitoto College is a state co-educational high school located on the beautiful North Shore of Auckland, New Zealand. The North Shore is a premium destination in Auckland, with breath taking views and beaches on our doorstep, making this a sailor's paradise.

Rangitoto provides a world class educational experience in which excellence is encouraged, expected and celebrated. Our students have the chance to participate in a wide-range of extra-curricular activities, including 50 different music groups, 40 different sports and our Sailing Academy for International Students.
