

“Notice of Asbestos Removal Work at Rangitoto College from 5th to 13th January 2022”

Henderson Demolition, a licensed Asbestos Removalist (WorkSafe Class B Licence: number RB19060016) will be undertaking removal work of some Asbestos Containing Materials (ACMs) from Rangitoto College A Block Wing 3 & 5.

This removal work will be conducted between the hours of 7:00 AM to 5:00 PM from the 5th to the 13th of January 2022. This work may need to be re-scheduled in the event of bad weather. Please limit presence on the Rangitoto College campus on these dates, and avoid the A Block Wing 3 & 5 area entirely.

WorkSafe NZ was notified on 29/11/2021 that this licensed asbestos removal work is to be undertaken.

The following safety measures will be put in place and maintained for the duration of this project:

- Signs, barriers and/or temporary fencing will be installed.
- PVA solution or water will be applied to asbestos containing materials to prevent airborne asbestos fibres dust (as required).
- Asbestos containing materials will not be broken, where possible.
- Plastic will be used to cover horizontal surfaces and surrounds.
- Asbestos containing material will be wrapped on site and disposed of at an approved tip site.
- Air monitoring at the work site boundary will be place for the duration of the work. If asbestos fibres above the allowable safe limit are detected, work will cease immediately and corrective measures applied
- An independent party will carry out an inspection of the site on completion of the work, and issue a clearance certificate prior to the school opening on Monday the 15th and Monday the 22nd.

The Ministry of Education website has further information about the management of asbestos and procedures to ensure the safety of all involved in or affected by the work, at the school and community. This can be found on: www.education.govt.nz/school/property/state-schools/fixing-issues/asbestos/
