Forgotten items and Deliveries for Students-

The school office/reception is not able to accept deliveries for students from either caregivers or companies. We do not take lunch, cash, books, projects or sports equipment; it is the student's responsibility to manage themselves. The school vision is to actively support students to achieve their highest ability and this includes organisation of self, therefore unless it is an urgent medical or exam related item, the office/reception has instructions to advise caregivers we cannot accept them. Thank you.
