**Academic Leadership Team-** Hi and Hello to our many Rangi Kahoot Fans!

The Academic Leadership Team is here again with Week 9 of the Kahoot series.

The theme this week is based on it being “Environmental Week”.

Remember that questions are aimed at ALL year levels 9 – 13.

You don’t need to be “top of the class” to be winning the many prizes available!

This week’s Kahoot is lunchtime TODAY Wednesday (June 21st) in the auditorium.

We will be starting as soon as we can at 1-35 pm, so get to the auditorium quickly, with your device to be in to win.

You can take part on your own or part of a team. So make sure that you join us today!

Amazing! Remember that there are still over a \$1000 worth of real prizes to be won and handed out over this week and next!

**The Queen’s Commonwealth Essay Competition 2023** is now open for entries until 30 June 2023. There are separate topics for seniors (14-18) and juniors (below 14.) The Queen’s Commonwealth Essay Competition 2023 asks entrants to explore the power young people hold within the global community and consider how this power can be harnessed to make a meaningful impact in the world. It is an international competition that one of our students, Sawooly Li, won last year.
