“Livestream” for Year 12 and 13 Students interested in AI, science, technology, engineering, arts, or maths!

AUT and the University of Melbourne are co-hosting a Future Careers Forum for Year 12 and 13 students at the Science Gallery Melbourne – a space where art and science meet. There will be panellists at both locations and a livestream connecting the two; the theme for this event is the AI Revolution, focusing on AI and its use and integration in industry. Students will learn about career journeys, industry connections, and how the panellists—experts in coding, data science, AI engineering, and machine learning—work across science, technology, engineering, arts, and maths to make a difference in the world today. The panellists will be live from Melbourne and the AUT City Campus, with both events featuring a live audience and an interactive Q&A session. If you would like to sign up for the livestream, on Monday 12th May, from 3.30pm to 4.30pm, please [click here to register](#). Please note: Students are ONLY permitted to sign up for the livestream. This is not an in-person event for Rangitoto students.
