## **Relay for Life Student Profile Recognition**

Apologies for the delay. Once this is put on profiles there will be a message in the notices to let everyone know.

You need \$50 showing under your fundraising page and to have completed the whole event (a few exceptions were made) for this to be recognised as Service.

If there are issues after this has been uploaded then individual students can speak to Mrs Gale - (please do not ask parents to do this) and we will try and sort it out.

Thank you for your patience - this so many students and a delay in receiving the fundraising information from the Cancer Society it is taking longer than expected.

We will then also recognise the top fundraisers in assemblies.
