Finalists are published on the Kate Edger Foundation [website](#)

Entries close 11th July 2025

This year's theme is: '**Celebrating Milestones**', presented in celebration of the Kate Edger Foundation's 20th Anniversary. As the Foundation marks two decades of supporting learners across Aotearoa - starting as the Auckland Branch of the New Zealand Federation of University Women (NZFUW) in 1920, this year's art competition invites students to reflect on and express the concept of milestones—those meaningful moments that mark progress, change, and growth. Milestones can take many forms:

- A personal achievement or turning point
- A family or cultural celebration
- A historic or community event
- Even a dream, ambition, or goal for the future

We encourage students to explore the theme through their lens, looking back on milestones they've reached, or imagining those still to come.

The attached [poster](#) has all the competition details, including a QR code to enter. Please print and share this across your departments.
