

UNDERSTANDING SCHOOL FEES

Homestay Fees

Homestays fees are invoiced based on the number of tuition weeks and include school holidays for students enrolled for longer than 1 term. We also include an additional week to cover extra homestay days outside the period of enrolment. Students' arrival and departure dates may affect the number of homestay days required which can result in either a shortfall or a refund.

An administration fee of \$150 may apply to homestay change requests.

School Trips

Some school day trips and overnight camps are not included in the tuition costs and may incur additional fees. Students will be informed in advance, and must pay the applicable fee on-site at the finance window.

4

Uniform Purchase & Hire

We have two school uniform shops on site, with both new and second-hand options available. Students must pay in full at the time of purchasing the uniform.

Students in premier sports teams are required to wear a blazer that can be hired from the uniform shop. Hire charges must be paid at the finance window.

5

Library

Late fees and no return fees apply if a student fails to return a book on time, or forgets to return a book before returning home.

If the book can't be recovered, the applicable fee may be either invoiced to the student or taken from potential refunds.
