St Mary by the Sea and Good Works Trust Donation - WEEK 5

THIS WEEK, there will be a can drive and a gold coin donation non-uniform day this Friday (15th August) for both organisations. They support our local community through their food bank, and they need our help to increase their supplies.

Please bring easy-to-prepare foods such as:

- Canned fish/meat, canned soup, cereal, canned spaghetti,
- Canned fruit, pasta, rice, powdered milk, etc.
- Toiletries like toothpaste, toothbrushes, sanitary products, deodorant, shower gel, shampoo, conditioner, nappies, etc.
- Avoid sending single ingredients like canned chickpeas, lentils, or black beans.

There will be a collection box in your tutor room to gather the cans, so bring as many as you can throughout the week! At the end of the week, the box will be taken to the Rangī Centre to be collected.

As a College, we benefit directly from St Mary's and GWT. Both organisations have been incredible in supporting families within our College this year. They have helped our families, which in turn has kept our students in education. Please donate what you can, knowing it will make a significant difference for those around you.

Thank you,

Community and Environmental Leadership Team
