SENIORS

Innovative Young Mind's goal is to educate young women in Years 11 and 12 about the wide range of research and career opportunities available in **STEMM (science, technology, engineering, mathematics, and high-tech manufacturing)**.

IYM is offering young women the opportunity to take part in their Online 2026 programme. The programme will be delivered entirely online over four half-day sessions during the April school holidays.

Participants will be exposed to:

- inspiring interactive career panels
- research and innovation showcases
- virtual tours of labs and tech workspaces
- hands-on digital technology sessions
- team-building and networking sessions.

Participants can also meet women working in science and technology and make friends with like-minded young women. Places on IYM Online 2026 are limited to 100 and there is a **small participation fee of \$30**. There is also funding available to cover the \$30 fee for any students facing financial hardship.

Key dates are:

Applications open: 1 October 2026

Applications close: 1 March 2026

IYM Online Programme dates: 7 - 10 April 2026

IYM is seeking students who have an interest in STEMM subjects (but not necessarily have performed at the top of your class in the past). They want to inspire students who have not had exposure to STEMM career options or who need to build their confidence to pursue these subjects further.

Please apply via their [website](#).

If you have any questions, please visit www.iym.org.nz or email at info@iym.org.nz.
