Hello new students!

Welcome to the Health Centre, we are a Nursing team that is here to help you through the school day if you unexpectedly feel unwell or have an accident during the school hours of 08:40am and 15:20pm.

Some key guidelines to help you understand how the Health Centre works:

- If you are feeling sick and unwell, **before school** in the morning with flu-like symptoms, vomiting or diarrhoea please **stay home**, so this is not passed onto others.

- To access our service, you must present with a **blue slip** from your **teacher** so that your teacher can mark your attendance, **do not come** to the HC at the end of an interval, as we will send you to class to get the blue slip.
- If you need a dressing change, regular medication administered, or non-urgent help then **please present at morning tea or lunch time, not during class time.**

Stay healthy and well 😊 The nurses!
