Curious about the world? Let's uncover it together!

Global Studies Club is officially launching this term, and we want you to be a part of it. Whether you're looking to expand your horizons, win prizes, or tick off your school requirements, this is the place to be.

Each session kicks off with a fascinating presentation about global topics, followed by interactive quizzes where members can compete for prizes. (You can be the one presenting!)

Club Requirements & Rewards

To get this club registered on your student profile and earn 20 points, you must meet the following criteria each term:

- 3 lunchtime sessions per term.
- 1 club event.

IB Learners: This is an amazing opportunity to count toward your CAS hours!

What to Expect & Meeting Times

- When: We meet every 2 weeks during lunch.
- First Meeting: This term!

LAW CLUB FINAL GUEST SPEAKER EVENT

Interested in how law extends beyond the courtroom? Curious about how it connects with AI, business and entrepreneurship?

Join us for our FINAL guest speaker event of the year on Thursday Week 1, from 3:40 - 5:00pm in the RangiCentre!

We're excited to welcome Jimin Seo, a Rangi alumnus and final-year law student, who has represented UoA internationally, coached a championship winning mediation team in Paris, and founded an AI startup.

Senior students are especially encouraged to attend, but all year levels are welcome!

NEW CLUB ALERT - JUNIOR PROFILE/RANGITOTO DIPLOMA/CAS HOURS!

Interested in movies, TV shows, music videos, short films, and all kinds of media? Come join the Film Club!

We'll watch a variety of media throughout the year and members can submit their own suggestions through our idea form. Whether you're into blockbuster movies, binge-worthy shows, creative short films, or music videos, there's something for everyone.

★ Attend 3 sessions and 1 event to get it on your profile!

★ Bring your friends and come have fun!

Psychology & Neuroscience Club 🧠

Interested in psychology, neuroscience, human behaviour, and the brain?

Through interactive discussions, activities, experiments, games, case studies, and engaging sessions, we'll explore topics such as memory, emotions, cognition, mental health, social behaviour, brain science, perception, and more.

Whether you're passionate about science and medicine or simply curious about how people think and behave, the club is designed to be welcoming, accessible, and open to everyone — no prior knowledge needed.

There will also be opportunities for students to contribute ideas and help shape future sessions as the club continues to grow.
