Everyone is welcome!

Play On Project Photo Competition

Showcase your passion for sport and capture the moments that inspire you!

The Play On Project is hosting a photo competition where you can submit 2-3 photos of yourself or your friends participating in sports or sport-related activities. Your photos should capture the energy, teamwork, and enjoyment that comes with being active.

Along with your photos, include a short description explaining what is happening in each image and why that moment or sport is meaningful to you.

Get creative, share your sporting experiences, and show what sport means to you!

The competition runs from the start of Week 3 until the start of Week 4. This is also another opportunity to complete one of the three required events for your Student Profile Recognition.

Psychology & Neuroscience Club

Interested in psychology, neuroscience, human behaviour, and the brain?

Through interactive discussions, activities, experiments, games, case studies, and engaging sessions, we'll explore topics such as memory, emotions, cognition, mental health, social behaviour, brain science, perception, and more.

Whether you're passionate about science and medicine or simply curious about how people think and behave, the club is designed to be welcoming, accessible, and open to everyone — no prior knowledge needed.

There will also be opportunities for students to contribute ideas and help shape future sessions as the club continues to grow.

Every Tuesday lunchtime in B13

REMINDER: Guinness World Record Attempt This Friday!

Our World Record Attempt for the Most High Fives in an Hour is happening this Friday! Check out the full [FAQ Doc](#) for all details, but please pay close attention to the most important instructions for the start of Period 4 below:

? What do I do at the start of Period 4? (IMPORTANT)

- 1. Move Quickly:** Walk straight from your Period 3 class to your Period 4 class—**walk very fast!**
- 2. Stay with Your Class:** As soon as you arrive, your teacher will bring your class out to your allocated area with the paper roll. Walk with **SPEED** (just like a fire drill!) and stay together with your class.
- 3. Line Up:** Join the line with your class anywhere in your assigned area.
- 4. Follow Steward Instructions:** A steward nearby will direct you on which way to face.
- 5. Get Ready:** As Mr Thornton approaches, **raise your right hand in advance** so he can hit every single high five!

Let's bring the energy and break this record together! 🖐️⚡
