Put a rubber band over your phone to make it more annoying to mindlessly scroll.

Make your phone grayscale to remove colour and make it less stimulating.

Put your phone in a hard to reach place such as in a drawer or behind a desk.

Turn off notifications to avoid continuous phone checking

For other devices such as gaming or watching TV, try substituting those for physical activities such as walking, gym or sports.

Try these out to get off screens and be more active and healthy 😊.

FEELING THE STRESS OF EXAMS? NOT PRIORITISING PHYSICAL ACTIVITY?

Step away from your desk for just a few minutes to reset your mind and boost your energy so you can get back to studying without the stress. Engaging in physical activity has plenty of benefits such as improved sleep, mental clarity and overall increased energy and mood.

Try these short movements linked below and destress during this busy upcoming exam season:

5-Minute Reset: Try a quick, gentle flow to release neck and shoulder tension with this 5-Minute Stretch Routine.
