### ADHD Awareness Month: Why the Orange Ribbons?

This week, staff are wearing orange ribbons for ADHD Awareness Month!

Here are a few quick facts:

- More than **280,000 New Zealanders** live with ADHD.
- ADHD translates to **Aroreretini** (attention goes to many things.)
- **It's Brain-Based & Genetic:** ADHD affects executive functions. How the brain manages attention, energy levels, organisation, and self-control. It is not caused by parenting or lifestyle choices.
- **It Looks Different for Everyone:** Symptoms can range from quiet forgetfulness and difficulty focusing on restlessness and impulsivity.
- **Support Makes a Difference:** While there is no cure, ADHD can be effectively managed with strategies, accommodations, and proper support.

If you have questions or want to learn more, stop by the Learning Centre or check out

[ADHDAwarenessMonth.org](http://ADHDAwarenessMonth.org).

The Academic Leadership Team is excited to announce a **BOOK DRIVE!** Come along to the library during Monday, Tuesday, and Wednesday lunchtimes in Week 2 and donate a book to get a lolly and vouchers! Alternatively, you can bring two books and swap them for another book! Please note that we will only be accepting books in good condition (clean and intact books). All donations will go towards the Auckland City Mission Charitable Trust. We're excited to see you there!

### **WHAi Physics & Chemistry scholarships**

Via the University of Otago's Māori Health Workforce Development Unit, WHAi Chemistry and WHAi Physics Scholarships are now open and will be closing on November 15. These scholarships are designed to support Māori secondary school students who are interested in building a strong foundation in Chemistry or Physics and are considering a future in the health sciences at Otago. The WHAi Scholarships provide early access to science learning opportunities and help build confidence in either Physics or Chemistry and prepare students for university-level study in health sciences and related pathways.

Selected scholarship recipients will receive:

- Full coverage of fees and accommodation costs to attend JumpStart Physics (WHAi Physics) or CHEM150 (WHAi Chemistry) at the University of Otago.
- Access to academic further resources and support in University of Otago papers: PHS1191 and CHEM191 as part of their first year of study.
- Opportunities to engage in kaupapa Māori spaces and connect with other Māori students interested in science and health.

These scholarships are a great opportunity for Māori students who:

- Are wanting to strengthen their Chemistry or Physics knowledge before starting university.
- Aspire to study in the Health Sciences, Biomedical, or Science pathways.

Eligibility: Applicants must - Be of Māori descent (Māori whakapapa). Meet the entry criteria for JumpStart Physics or CHEM150. Be planning to enter into the University of Otago study following the completion of JumpStart Physics and CHEM150.
