Wanted: Old Clothes Irons for the Chip Packet Project!

The Chip Packet Project is looking for donations of old clothes irons from the Rangitoto community.

Our student group recycles empty chip packets by fusing them together to create survival blankets for people in need. We are currently short on equipment and need more irons to help fuse the plastic together.

If your family has an old (but working!) iron that you no longer need or were planning to throw away, we would love to repurpose it for a great cause.

- What we need: Old, working clothes irons.
- Where to bring them: Drop off at the Maths block office.
- Questions? Contact Miss Tidman at harriet.tidman@cloud.rangitoto.school.nz

Thank you for helping us support those in need and keeping plastic out of the landfill!
