An abstract graphic design featuring a dark blue background. Overlaid on this are several light tan, organic shapes that resemble stylized leaves or petals. These shapes are defined by dark blue outlines and some internal dark blue lines, creating a layered, sculptural effect. The overall composition is dynamic and modern.

PANORAMA 97

An abstract painting featuring a complex arrangement of geometric shapes and colors. A large, bright yellow rectangle is the central focus, surrounded by various shades of red, brown, and blue. In the foreground, there are dark, swirling, and textured elements. A small, green, faceted geometric object is visible in the lower right. The overall composition is dynamic and layered.

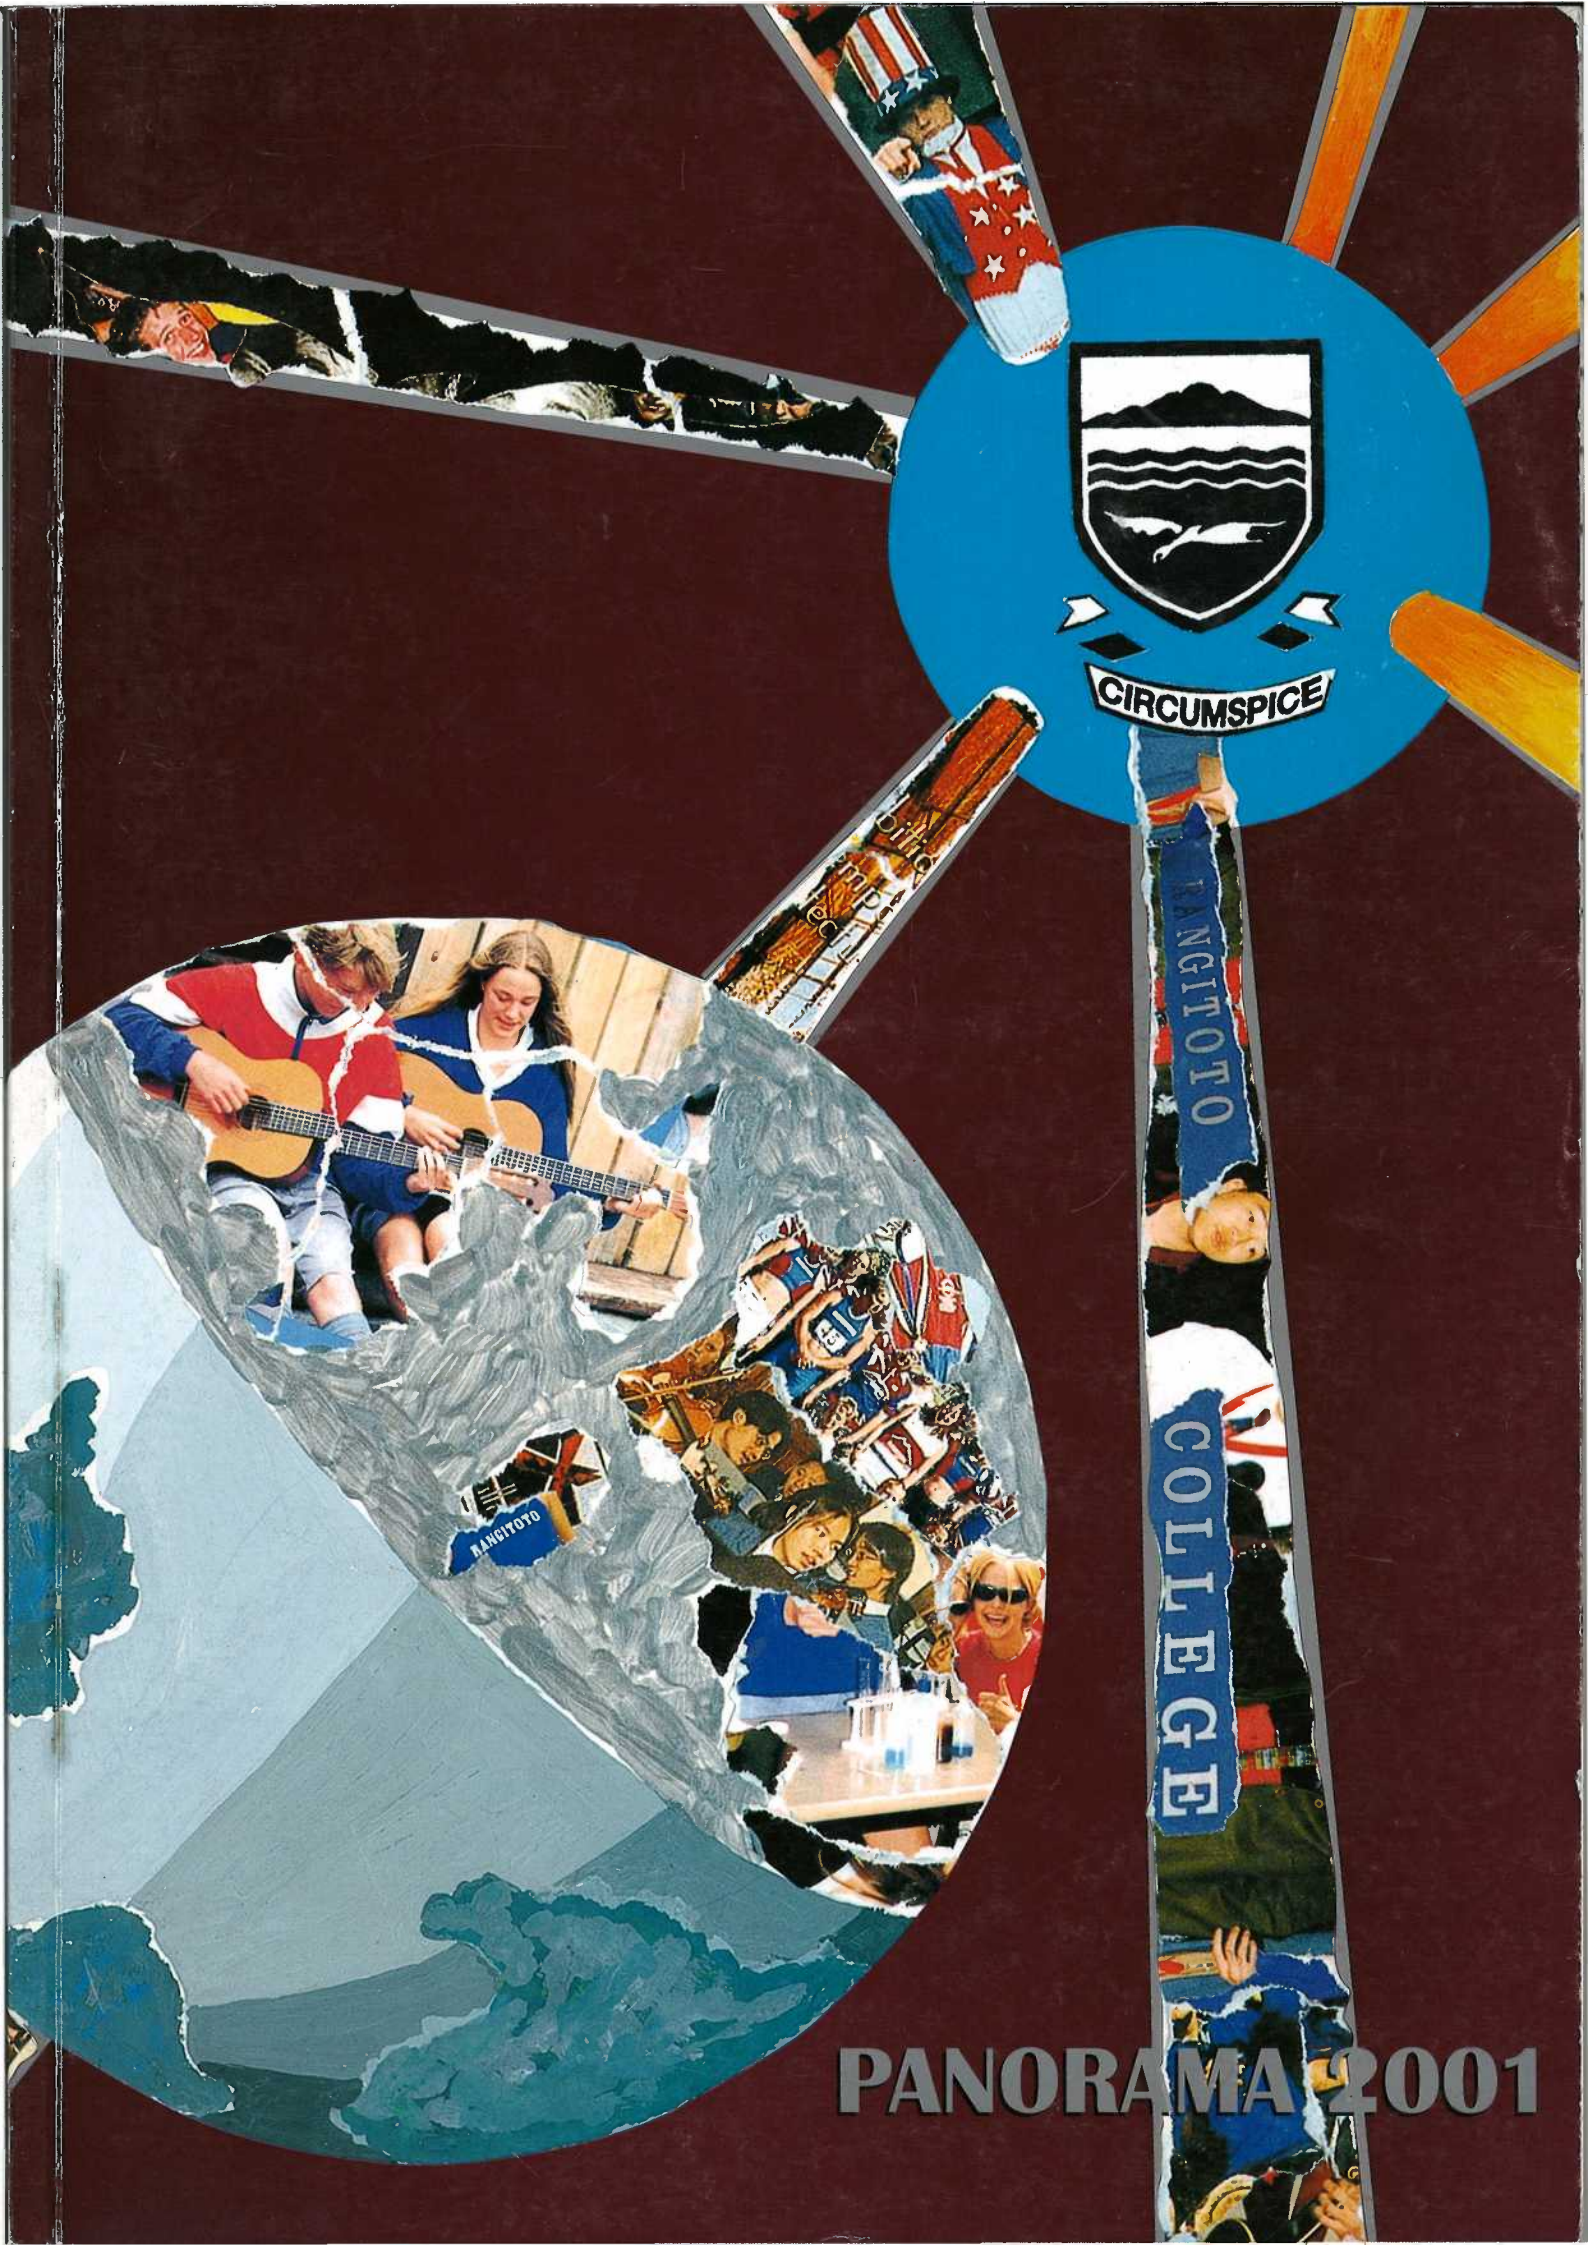

PANORAMA 98

An abstract painting featuring a complex composition of overlapping, curved, and angular shapes. The color palette is dominated by various shades of blue, ranging from deep navy to lighter, almost white highlights. Interspersed among the blue forms are patches of green and yellow, some of which appear to have a textured, almost metallic or organic quality. The overall effect is one of dynamic movement and layered depth, with some elements appearing to float or emerge from others. The brushwork is visible, contributing to the textured appearance of the surface.

A stylized, high-contrast illustration of Rangitoto College buildings. The buildings are depicted in white with black outlines, set against a background of dark blue and green foliage. A large, bright white cloud is positioned in the upper right, containing the text. The overall style is graphic and modern.
